

# LORI BRILEY FAIRCHILD

*Author and Writing Educator with 25 years of professional experience*

## CLASSROOM VISITS

*Lori's interactive classroom visits get children excited about writing. Her hands-on presentations focus on making sure every child knows they can be a writer and that writing is fun.*

## WRITER RESIDENCIES

*Get your class excited about writing with a writer residency. Lori offers 6- and 12-week residency packages where she visits your class once a week to teach writing skills. Residencies are available for both expository and creative writing. At the end of any residency, children will have either a finished story or a finished book.*

## PROFESSIONAL WORKSHOPS

*Lori's professional development workshops provide teachers and staff with writing knowledge and creative ideas for including fun writing activities across the curriculum.*

## CLASSROOM VISITS

Choose from one of the following options for your classroom visit:

### What Is It Like to Be an Author?

*This visit includes a reading of part of one of Lori Briley's books, a hands-on introduction to the writing process and a Q&A.*

### Solve a Buddy and Panda Mystery

*Be like your favorite canine sleuths. Collect clues and work together to solve a mystery. Learn about the elements of the mystery genre through this fun, interactive experience.*

## PROFESSIONAL WORKSHOPS

*Get tips from a professional author on how to make writing engaging and fun across the curriculum.*

### Writing is Fun!

*Develop better writers by making writing something your students look forward to, not something they dread. Learn hands-on activities and games that make kids ask to write.*

### Encouraging Reluctant Writers

*Getting started is half the battle when it comes to writing. Staring at a blank sheet of paper can be overwhelming to young writers. Learn about different ways to help young writers get over the blank paper block with fun brainstorming techniques and writing activities.*

All options available in person or virtually!

## WRITER RESIDENCIES

*A writer residency is the perfect way to get your students excited about writing through multiple 45-60 minute sessions with a published author. Choose from 3-day, 6-week, or 12-week options.*

### 3-Day Residency

*Three-day workshops can take place across three days in one week or one day each week for three weeks. Choose from the following topics:*

- ***Everyone Has a Story to Tell***
- ***How to Be a Better Writer***
- ***Make it Shine: Editing Your Work***

### 6-Week Residency

*Six-week residencies include a 45-60 minute visit each week for six weeks. Students will create a short story or report from start to finish as they learn a variety of writing techniques, including:*

- ***The writing process***
- ***Figurative language***
- ***Grammar rules***
- ***Story/report structure***

### 12-Week Residency

*Twelve-week residencies include a 45-60 minute visit each week for twelve weeks. Students will create their own fiction or nonfiction book from start to finish as they learn a variety of writing techniques, including:*

- ***The writing process***
- ***Figurative language***
- ***Grammar rules***
- ***Story structure***
- ***Editing skills***
